Swine Club Shows Canceled Telephone System

Had Busy Month

It has been found necessary by the Department of Agriculture to cancel arrangements made to hold Boys' and Girls' Swine Shows in Calgary and Edmonton during the coming fall, owing to the recent outbreak of infantile paralysis at a number of points in the province, and the consequent unwillingness of parents to allow their children to travel far from home. The pigs fed by club members in various districts will be marketed as they are ready under the direction of the local club supervisor, and the entire prize will be awarded as previously arranged, but the other features of the show, including judging competitions for the railway trophies and the trip to the winning towns in Toronto, must unfortunately be abandoned this season.

Card of Thanks

Mr. and Mrs. Bob Milne wish to thank the Delia Hotel and the Women's Institute for the beautiful flowers sent to Mrs. Milne during her recent illness.

All Canada Agrees It's Better because it's Canadian

"It's Better because it's Canadian" . . . it is a fact. . . because General Motors was inspired to put it into words . . . because Canada was inspired to its impetus . . . because Canadians accepted it . . . and because the standard of Canadian quality proved it true.

All Canada has enjoyed a greater measure of prosperity; and General Motors of Canada, with many other Canadian manufacturing organizations, has just completed the most successful year in its history.
